4. Next meeting Agenda.	Julie and Ali requested suggestions for future meetings.	Agreed that Julie will ask Vascular Access Nurse to present STOP Guidance at the next meeting.
5. Possible workstreams for the CoP.	Julie and Ali requested suggestions for a workstream or project.	Ali has completed a scoping exercise and there doesn't seem to be any supportive information for patients who witness critical events during their treatment. Suggestion: Develop a debrief assessment tool for staff / patients and possibly a patient information leaflet. Shrewsbury & Telford Trust have Supportive Care Nurses plus a dedicated room for sensitive discussions. We may ask them to present their role at a future meeting. To discuss possible projects at the next meeting.
6. AOB	Meeting time. Action Tracker.	Different meeting times have now been tried to see what works best for the group: 14:00 – 15:00 seems to be the most favoured. Please let us know what suits you via the WhatsApp group chat.  19-03-25 Action Tracker HD CoP.docx
