---	--------------------------

Current Meeting Agenda	Overview of group/Where we are at/new members Previous work/updates Next project ideas
Outcome of meeting	Discussed ideas for next project/work • Sustainability - increasing numbers on home therapies/keeping patients at home • Assisted services - PD and HHD, in-house/business plans for staffing requirements • What are the problems? Top 5 reasons for fall offs/suggestions how to keep patients at home, palliative home dialysis • Questionnaire ? • Reasons why patients aren't put onto a home therapy • Contact local networks to ask what data has been gathered on why more people aren't at home? What are the key problems - staffing/training etc • Green nephrology? Any ideas for home pts
Action Points	Elaine to contact LKN to pull together a spreadsheet to send out to units to question why patients aren't able to do a home therapy Thoughts/ideas before next meeting - 27/5/25
